2018 YEAR IN REVIEW

Mid-Day Play had a great 2018, which marks our 8th year in business! I feel extremely blessed to have been able to provide quality care for so many animals! God has also blessed me with excellent staff to care for you pets!

Besides the amazing dog handlers, pet sitters and dog walkers, I am honored to say that I have an incredible office manager (2nd in command!), Linda Race, who has been with Mid-Day Play since June of 2012! Give her a round of appaws while you are reading this!!

This year we implemented a staff training program called Knowing Dogs 101 and 201. Everyone has gone through the 101 as of November and will be starting 201 real soon. It is a comprehensive training that is done through videos, assessments and hands-on experience in the daycare. I have wanted to purchase this program for years as it is used all over the world by other daycares and 2018 was the year I took the plunge!

Thank you all for continuing to use MDP to care for your pets!!!

Did you know?

Did you know there are more than 500 million dogs in the world???

Did you know that just over 90 million dogs live in households in the United States?

Did you know more than half of our US Presidents owned dogs?

Did you know just like human finger prints...that no two dogs' nose prints are alike?

**Dogs are loyal...
ever devoted to their ma and "paw" ☺**

Meet the Staff

I have chosen to highlight Alison Matykiewicz!
Alison joined the Mid-Day Play 1 year ago as a Dog Handler and has been an amazing addition to the team! She came to us with dog handling experience, knowledge of dog behavior and being a team leader. Alison embodies what it means to be a leader, team player and an amazing role model! I am extremely grateful and blessed to have Alison as valuable member of our Pack!
