February 2019

What's New?

How about all this unbelievable weather?! I am just thankful that we are on the other side of that! Thank you all for being understanding with our shutdown of the daycare for those 2 frigid days. It was what was best for the dogs, you as owners, and the handlers. Please keep an eye on our MDP fb page for possible weather closings if it is questionable. Happy Valentine's Day to all!! It happens to be my Maggie's Birthday today too.... she is 6 years old! How time flies! Hopefully you all will enjoy our Valentine's Day pictures on Facebook. Please help us stay current with all records by utilizing our software, Pet Sitters Plus. You all should have a client portal that hopefully you set up with an email that we sent you. If not, please contact us. This software gives you the ability to update your information, your pet's health records as well as any emergency contact information. If you have a dog walker and change your garage code, you can do that directly in your portal. Again, if you have questions about any of that, please call!

Fun Facts about Valentine's Day!
