The Sit  Stay  Play Report

Mid-Day Play

Our mission
Providing quality care to every pet, for every family,
with love, compassion, comfort and commitment.

April 2019

From the Desk

As I sit here and reflect on the changing of the seasons and how nice some days have been, I am feeling extremely grateful that we have made it through this LONG winter!! I thought spring would never show up! With the temps rising, I would like to remind everyone that it is critical that dogs are not left in a car for long periods of time. Even at 70 degrees, the temperature can rise to 89 after just 10 minutes and to 104 after 30 minutes!! Please be careful and either leave the car running with AC on, windows open or leave your dog at home. With the warmer weather our lake is warming up! So, we would like to offer \$5 off a private 1-hour swim for clients who have used our services in the last 6 months! The normal rate is \$30 for an hour. Swimming is an EXCELLENT form of exercise for you and your dog and good way to strengthen your bond!
Hope you all take advantage of this unique service that only MDP offers!!

Meet the Staff

Michelle joined Mid-Day Play back in November of 2018! She works mainly in the Daycare and she does Housesitting & Pet Sitting! She is working on completing her training on animal behavior and is becoming a team leader! Michelle has been a great asset to the MDP team and truly grateful for all her hard work and dedication.

Top Dog of the Month

MAX

Max is almost a year old and has been coming to Daycare since November 2018. Max loves his Wednesday morning pack! Some of his best friends are Carly, Faith and Koda! He was such a perfect addition to the pack! He loves everyone he meets and just loves to play! So much so that at pick up time...Max would rather stay and play! Congrats Max for being MDP's Top Dog for the month of April!

Fun Facts about EASTER!

-  Americans spend \$1.9 billion on Easter candy. That's the second biggest candy holiday after Halloween!
-  "The White House Easter Egg Roll" event has been celebrated by the President of the United States and their families since 1878.
-  Egg dyes were once made of natural items such as onion peels, tree bark, flower petals, and juices.
-  The first story of a rabbit (later named the "Easter Bunny") hiding eggs in a garden was published in 1680.
